

Notice Regarding Wellness Program

Shadowfax Wellness Initiative is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete age and gender appropriate preventive exams and educational activities.

Employees who choose to participate in the wellness program and submit their completed Wellness Initiative Tracking Sheet before 1/15/2022, will receive a payroll incentive beginning with the first pay after March 1st, 2022. Although you are not required to complete the age and gender appropriate preventive exams, educational activities, and physical activity, only those that do will be able to earn the incentive.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting HR.
